## **SeaWaves Press Cancels Used Battleship Salesman by Bill Kennedy**

November 9, 2020 - [SeaWaves Press](#) announces today the cancellation of the book Used Battleship Salesman (ISBN 9781894147439 & 9781894147446) by Bill Kennedy. The author's actions had bringing this project to fruition unfeasible.

We are very disappointed the project is not going ahead and wish Mr. success in finding another publisher.

### **About SeaWaves Press**

SeaWaves Press was founded in 1995 to specialize in works of naval and nautical history as well as current events. SeaWaves Press publishes [SeaWaves Magazine](#) and [Maple Leaf Navy Magazine](#) with the former specializing current naval news from around the world and latter features Canadian naval news "past, present and future" and have developed a loyal following.

SeaWaves Press books are devoted to naval history and provide a place for lovers and students of naval history an affordable platform for learning.

Our label [Huron Press](#) is source for veterans, family and friends to publish their memories in book form. We can transform your old photo album into book form to share with your loved ones or to offer for sale. Huron Press is an affordable option for persons considering a self-publishing company, most of which end up costing you thousands of dollars and a huge supply of books to sell on your own.
